Subject: Minnesota Comments on 404g Rulemaking
Attachments: CWA Section 404g Rulemaking MN Comments 1-11-19.pdf

EPA staff,

Thank you for the opportunity to provide preliminary comments on updates to the Clean Water Act Section 404 assumption rules (40 CFR 233). Attached are Minnesota's comments. Please let us know if you have any questions or would like to discuss them further. We look forward to working with EPA throughout the rulemaking process.
